

Strategic Partnerships Guide

Exponential Español is a growing community of Latino leaders committed to accelerating the multiplication of healthy, Latino, reproducing faith communities. We equip Latino multipliers with actionable principles, ideas, and solutions.

Strategic Partnerships Packages

Exponential Español is honored to build strategic partnerships with organizations that share our vision of seeing a growing number of healthy, multiplying Latino church movements. As a strategic partner, you'll gain unique opportunities to share your vision, connect with Latino leaders from across the country, and expand your impact through national and regional platforms.

Our passion is to serve and strengthen those investing in the Latino Church. Together, we can accelerate the multiplication of disciples, leaders, and churches that will transform communities across the United States and beyond.
