

SPONSORSHIP OPPORTUNITIES

Exponential Español
2027 National Conference

Exponential Español Conferences provides a space for Latino church leaders to engage in conversation and learning while connecting with other likeminded leaders on the topics of church planting, multiplication, leadership, diversity, and mobilization.

Exponential Español serves Latino pastors and church leaders across multiple denomination and networks. These events allow you as a Sponsor to connect directly with the Exponential Español Community, advertise your organization through the booth space in the conference's sponsor hall, and offer your services and trainings Latino pastors, church planters and leaders.

The national conference gathers about 500 pastors and leaders from across the U.S.
